

Katerine, New Day

Time to go,
time to pack my bags and leave.
Now I know,
I was too young, too naive.
I could stay,
but then I'm stuck on yesterday.
I can't wait to see what this one holds for me.
It's a new day,
and it feels like,
the first day of my life.
It's a new day,
and I wonder,
can't you see it in my eyes.
So don't look back,
you can never look back.
I'm gonna leave my tears behind me.
Don't look back,
I won't look back.
Yesterday won't blind me.
It's a new day!
Breaking through,
no more walls I need to climb.
Wish i knew,
I was waisting too much time.
I could stay,
but then I'm stuck on yesterday.
I can't wait to see,
what this one holds for me.
It's a new day,
and it feels like,
the first day of my life.
It's a new day,
and I wonder,
can't you see it in my eyes.
So don't look back,
you can never look back.
I'm gonna leave my tears behind me.
Don't look back,
I won't look back,
Yesterday won't blind me.
It's a new day!
Every single day,
s a chance to turn it all around.
So wake up, wake up, wake uuuupp.
Oewhohoow...
It's a new day,
and it feels like,
the first day of my life.
It's a new day,
and i wonder,
can't you see it in my eyes.
So don't look back,
you can never look back.
I'm gonna leave my tears behind me.
Don't look back,
I won't look back,
Yesterday won't blind me.
It's a new day,
and it feels like,
the first day of my life.
It's a new day,
and i wonder,
can't you see it in my eyes.
So don't look back,

you can never look back.
I`m gonna leave my tears behind me.
Don`t look back,
I won`t look back,
Yesterday won`t blind me.
It`s a new day!
