

Katerine, Ultrasonic

Sharper than a razor
Faster than a laser beam
Harder than a diamond
More addictive than nicotine
But hey, Im only getting started
The partys creeping up on me
Yeah, I wanna get it started
I think its time, I think its time
To switch into overdrive
Ultrasonic Ultrasonic
Ultrasonic - Ultrasonic
Sharper than a needle
Brighter than the silver screen
Hotter than the sun
More exclusive than a limousine
And hey, Im only getting started
The vibe is creeping up on me
Yeah, I wanna get it started
I think its time, I think its time
To switch into overdrive
Ultrasonic Ultrasonic
Ultrasonic - Ultrasonic
Only getting started
Switching to overdrive
Only getting started
Switching to overdrive
