

# Kathleen Wilhoite, Wish We Never Met

Disappointment stops by from time to time  
to see how I'm doing.

He came by last night right after you left  
my life in ruin.

When I don't get what I want  
the spoiled child inside breaks down,  
kicking, screaming, preying, and dreaming  
for a love lost and found

I wish we never, I wish we never,

I wish we never met

'cause now I've got my heart set on you.

Humiliation asked me out last night;

I had nothing else to do,

so we took a cab to loopy drunk, had conversations

I couldn't get through,

and another stranger's eyes

were trying desperately to meet mine,

but I looked away, tabs to pay, lies to say...

like, "How are you?" Oh, "I'm doin' fine.....but I ...."

I wish we never, I wish we never,

I wish we never met

'cause now I've got my heart set on you.

and I don't get what I want

from another stranger's eyes.

and I don't get what I want

from another stranger's eyes.

I wish we never, I wish we never,

I wish we never met

'cause now I've got my heart set on you.
