

Kathy Mattea, Train Of Memories

Every time you come around
I hear that lonesome sound
Ooh, train of memories

Boxcars go flying by
With all my dreams inside
Ooh, train of memories

I see you waving
Hear you say goodbye
Rollin' down the tracks of the tears you made me cry
Ooh, train of memories

This locomotion runs on pain
So it's a neverending thing
Ooh, train of memories

Rumbling through my mind
Pulling the past behind.
Ooh, train of memories

I see you waving
Hear you say goodbye
Rollin' down the tracks of the tears you made me cry
Ooh, train of memories

Ooh, here it comes again
Ooh, it's more than I can stand
No matter what I do
It brings me back to you
Ooh, train of memories
Ooh, train of memories
This train of memories
