Kathy Mattea, Train Of Memories

Every time you come around I hear that lonesome sound Ooh, train of memories

Boxcars go flying by With all my dreams inside Ooh, train of memories

I see you waving Hear you say goodbye Rollin' down the tracks of the tears you made me cry Ooh, train of memories

This locomotion runs on pain So it's a neverending thing Ooh, train of memories

Rumbling through my mind Pulling the past behind. Ooh, train of memories

I see you waving Hear you say goodbye Rollin' down the tracks of the tears you made me cry Ooh, train of memories

Ooh, here it comes again Ooh, it's more than I can stand No matter what I do It brings me back to you Ooh, train of memories Ooh, train of memories This train of memories
