

Katie Melua, Call Off The Search

I won't spend my life
Waiting for an angel to descend
Searching for a rainbow with an end
Now that I've found you I'll call off the search
And I won't spend my life
Gazing at the stars up in the sky
Wondering if love will pass me by
Now that I've found you I'll call off the search

Out on my own
I would never have known this world
That I see today
And I've got a feeling
It won't fade away

And I won't end my days
Wishing that love would come along
Because you are in my life where you belong
Now that I've found you I'll call off the search
