

Katie Melua, Pick Me Up

Utwór 'Pick Me Up' z albumu 'Love & Money' od Katie Melua (premiera 24 marca 2023r.)

I had a day
Wasn't inspired
Leaves were swaying, saying go outside
Every word I wrote, I felt like a liar
Every line oversimplified

Then you pick me up with a little joke
Then you pick me up by diving into sweet talk
Walking in the shining rain
Gratitude comes with you everywhere you go
Gratitude comes with you

When there's a day that's sad and nostalgic
Trying to write for the city crowd
Still believing that a record is magic
But apathy still pulls me down

Then you pick me up with a park game
Then you pick me up by pointing to a blue sky
We turn our phones off for the day

Gratitude comes with you everywhere you go
Gratitude comes with you anywhere you go

I think it's a shame
I think it's a pity
The material world is still riding high
The latest styles to make you feel pretty
That doesn't keep me satisfied

Then you pick me up with a gold ring
You plan a trip of sun and surfing
We're washing all the blues away

Gratitude comes with you everywhere you go
Gratitude comes with you anywhere you go

Everywhere you go
