

Katie Sky, Sweet Sweet Melody

Awoo... /3x

Take me home today,
Take me out to play,
Take me back into that sweet, sweet melody.

Singing an old song until it hurts,
Just to find myself in a sea of words,
I'm diving in,
I'll hold my breath and then,
I keep looking for something new,
Will you pick me up?
Can you pull me through?
A melody, a little piece of where i come from,

Take me home today,
Take me out to play,
Take me back into that sweet, sweet melody,
Take me on my way,
Take me back into that sweet, sweet melody.

Awoo... /3x

That sweet, sweet melody.

Little by little, it's getting lighter,
Step by step, is it growing brighter?
Wait and see, as i come alive,
I looked around on the ocean floor,
I've seen these sights and now I'm sure,
A remedy, I've found a dream inside,

Too many songs running through my brain,
Got me up at night driving me insane,
Oh what to do?
I'm heading back to where i belong.

Take me home today,
Take me out to play,
Take me back into that sweet, sweet melody,
Take me home today,
Take me on my way,
Take me back into that sweet, sweet melody.

I just need to find,
A way back into the breeze,
A place where i can be free,
A place that i know is me,
I just need to find.

Take me home today,
Take me out to play,
Take me back into that sweet, sweet melody,
Take me home today,
Take me on my way,
Take me back into that sweet, sweet...

That sweet, sweet melody.
