

Katy Perry feat. Kanye West, E.T.

I got a dirty mind I got filthy ways
I'm tryna bathe my eyy in your milky way
I'm a legend I'm irreverent I'll be reverend
I'll be so far up
We dont give a fu-uh-uck
Welcome to the danger zone
Step into the fantasy
You are not invited to the other side of sanity
They callin me an alien a big headed astronaut
Maybe its because yo boy Yeezy get ass a lot

You're so hypnotizing
Could you be the devil
Could you be an angel
Your touch magnetizing
Feels like I am floating
Leaves my body glowing

They say be afraid
You're not like the others
Futuristic lover
Different DNA
They don't understand you

Your from a whole other world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, take me
Wanna be a victim
Ready for abduction
Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial

Your so supersonic
Wanna feel your powers
Stun me with your lasers
Your kiss is cosmic
Every move is magic
Your from a whole other world
A different dimension

You open my eyes
And I'm ready to go
Lead me into the light

Kiss me, kiss me
Infect me with your love and
Fill me with your poison
Take me, take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch are foreign
It's supernatural

Extraterrestrial

I know a bar out in mars
Where they driving spaceships instead of cars
Cop a prada space suit about the stars
Getting stupid hah straight up out the jars
Pockets on shrek, rockets on deck
Tell me whats next? Alien sex.
Imma disrobe you
Then Imma probe you
See I abducted you
So I tell you what to do

Kiss me, kiss me
Infect me with your love and
Fill me with your poison
Take me, take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial
Extraterrestrial
Extraterrestrial

Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial
