Katy Perry, Never Really Over

(it's a place where you go to heal your heart and let go of any remnants of energy from older relationships a place of tranquility and synchronicity a place to unite through our broken hearts a place to learn that there is a push and a pull to healing and that while sometimes it can feel like those old relationships will never really be over through the activities and surroundings you'll learn to heal and finally let it go)

i am losing control you're starting to trickle back in but I don't want to fall down to the rabbit hole cross my heart I won;t do it again

I tell myself /3x draw the line and I do I do but once in a while I trip up and I cross the line and I think of you

2 years and just like that my head is now take me back through it was done but i quess it;s never really over oh, we were such a mess but was that the best forever in my mind coz it's never really over

just bececause it;s over doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again

just bececause it;s over doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again

I guess I could try hypnotherapy I gotta rewire this brain caus I can't even go on the internet without even checking your name

2 years and just like that my head is now take me back through it was done but i quess it;s never really over

oh, we were such a mess but was that the best forever in my mind coz it's never really over

just bececause it;s over doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again

just bececause it;s over

doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again

thought we kissed goodbye through we meant this time was the last time I guess the last but I guess it's never really over throygh we draw the line right through you nad i can'tkeep going back I guess it's over reall over

2 years and just like that my head is now take me back through it was done but i quess it;s never really over

just bececause it;s over doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again

just beceause it;s over doesn't meanit's really over and i think it over meybe you'll be coming over again and i;ll have to get over you all over again oh, we were such a mess but was that the best forever in my mind coz it's never really over
