

Katy Perry, Smile

I'm thankful
Scratch taht, babt ia m greatful
Gotta say it's really been a while
Bot now i got back that smile
I am so thankful
Scratch taht, babt ia m greatful
Now you see me shone form a mile
Finally got back that smile

Every day, Groundhog Day
Goin' through motions felt so fake
Not myslef, not my best
Felt liek i failed the test

But every tear has been a lesson
Rejection can be GoD'S Protection
Long hhard road to get that redemption
But no shortcut's to blessin'

I'm thankful
Scratch taht, babt ia m greatful
Gotta say it's really been a while
Bot now i got back that smile
I am so thankful
Scratch taht, babt ia m greatful
Now you see me shone form a mile
Finally got back that smile

I am 2.0, remodeled
Use to be dull
Now i sparkle
Had a piece of humble pie
That ego check saved my life

Now i got a smile like Lionel Richie
Bug and briight, need shades just to see me
Tryna stay alive just like i am the Bee Gees
A Mona LiSa Masterpiece

I'm thankful
Scratch taht, babt ia m greatful
Gotta say it's really been a while
Bot now i got back that smile
I am so thankful
Scratch taht, babt ia m greatful
Now you see me shone form a mile
Finally got back that smile

I am so thankful
Cause i am finally /2x
/2x

I'm thankful
Scratch taht, babt ia m greatful
Gotta say it's really been a while
Bot now i got back that smile
I am so thankful
Scratch taht, babt ia m greatful
Now you see me shone form a mile
Finally got back that smile

I am so greatful
Cause i am finally /2x
/2x
