## Katy Perry, You're So Gay

I hope you hang yourself with your H&M scarf

While jacking off listening to Mozart

You bitch and moan about L.A.

Wishing you were in the rain reading Hemingway

You don't eat meat and drive electrical cars

You're so indie rock it's almost an art

You need SPF45

Just to stay alive

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like boys

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like boys

You're so sad maybe you should buy a happy meal

You're so skinny you should really super size the deal

Secretly you you're so amused

And nobody understands you

I'm so mean cuz cannot get you out of your head

I'm so angry cuz you'd rather my space instead

I can't believe I fell in love

With someone that wears more make up and

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like boys

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like

Oh, oh, oh, oh, oh

La, la, la

La, la, la

Oh, oh, oh

Do, do, do, do, bop, bop, bow

Do, do, do, bop, bop. day

You're so gay, you're so gay

You walking around like you're oh so debonair

You pull them down and there's really nothing there

I wish you would just be real with me

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like boys

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like

You're so gay and you don't even like boys

No you don't even like, no you don't even like, no you don't even like

No you don't even like, no you don't even like, no, no, no, no, no, no
