

Kavana, Thank You

Everybody's going home
It's time again to say goodbye
And I wanna say thank you for being there

I know the time is getting late
And I don't wanna keep you here
The time has come for me to show you how much I really care

Friends come and go
But we've been through it all together
And time goes to show
I wouldn't change a thing

Chorus:
Another year has come around
And I'm so lucky that I ever found ya
Thank you, thank you, thank you baby (thank you baby)
And anyone that I've ever known
Could not compare to the love that you've shown
Thank you, thank you, thank you baby (thank you baby)

Through the hard times, you understood
And without you there
I never could have coped with my problems on my own
The years have gone by so fast
The memories I have will last, inside my heart for ever now

And friends come and go, but people like you are hard to find
And time just goes to show
I owe it all to you I've always known
How lucky I am to have you here beside me
So before I go I wanna say
Thank you, thank you, thank you baby....
