

Kayah, Yakayakayah

I'm my friend
I am my own stranger
I'm the same
But not the same as her

I am different
From all the ones I've met
And all the ones
I've met are the same

Yet Kayah Kayah Yeah
Kayah-is that me Kayah
Kayah Yeah Kayah-who will I be
If I'm to be

The truth about me
Like the truth is relative
And like every woman
Like all women sensitive

Yet Kayah Kayah Yeah
Kayah-is that me Kayah
Kayah Yeah Kayah-who will I be
If I'm to be

Yet Kayah Kayah Yeah
Kayah-is that me Kayah
Kayah Yeah Kayah-who will I be
If I'm to be
