

# Keahiwai, Don't Break My Heart

You shoot me down in flames  
You put me down a lot  
I'm giving you my heart  
Go on take it  
Please be careful not to break it  
Just remember it's the only one I've got  
It's the only one I've got

Chorus

Don't break my heart

You make me laugh a lot  
You buy me silly things  
I'd rather be with you than anyone else  
But if you make me mad  
Oh if you make me mad  
You'll wish that you had not  
You'll wish that you had not

Chorus

Don't break my heart

Where are the roses and whispered silences  
Where are the compliments and sleepless nights  
It doesn't matter you see  
I know your love  
basically never dies

Chorus

Don't break my heart
