

# Keahiwai, My Best Friend

Sometimes we've got angels watching over us  
Every minute of the day  
And sometimes they send down a special friend  
who will walk with you through the rain  
And when I feel the world is against me  
You're the one I call to help me spread my wings.  
So in return my dear friend  
It's for you this song i sing

Just call on me whenever you need a shoulder to cry on  
I will never leave you lonely  
Until the end, oh i promise you you'll always be my best friend

I know I can do all the things I want  
With the love and support you bring  
And I know that I'll never have to be afraid  
You encourage me to live my dreams  
And though I know that life is full of change  
My feelings will always be the same  
You'll always hold a place in my heart even if we're apart

Just call on me whenever you need a shoulder to cry on  
I will never leave you lonely  
Until the end, oh i promise you you'll always be my best friend  
you're my best friend  
your'e my best friend  
you're my best friend
