

Keahiwai, Satisfied

It's always easy when you're feeling blue
To write a song about the one who don't love you
At least it seems that way but sometimes love's just blind
Don't let it bring you down and make you lose your mind

Cause you have so much more to offer than it seems
Soon will come that special one who sweeps you off your feet
Love ain't perfect and it ain't no easy ride
I just want a man to keep me satisfied

He walked on by and stopped to say hello
I tried my hardest not to let my feelings show
And when he called I had a smile from ear to ear
And then i had a dream of holding him so near

Cause he has so much more to offer than it seems
Could he be that special one who sweeps me off my feet
Love ain't perfect and it ain't no easy ride
I just want a man to keep me satisfied

Now we're walking hand in hand
And everybody knows that you're my man
And i won't let you be the one who slipped away
I'll tell you that I love you each and every day

Cause you had so much more to offer than it seemed
Now I know you were the one who swept me off my feet
Love ain't perfect and it ain't no easy ride
I just want a love to keep me satisfied
I just want a love to keep me satisfied
