

Keahiwai, Time We Spent Together

Chorus:

time we spent together
thought it was forever, but now
can we stay together
make it last forever
(repeat)

verse 1:

i know you see me in the moonliiiiiigggh
i know ive been comin home real late
i wish u would grab me and hold me
instead you make you make me wait

(chorus)

verse 2:

under the covers and into a sleepless bliss
wishing destiny was miiine
step towards me and tell me its me you miss
instead of wasting all our time

(chorus)

verse:

i wont be leaving you for another face
theres no point in taking another place

(chorus)
