

Keane, With Or Without You

See the stone set in your eyes
See the thorn twist in your side
I wait for you
Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait... without you

With or without you
With or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you
With or without you out
I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tired
My body bruised, she's got me with
Nothing to win
and nothing else to lose

And you give yourself away
And you give yourself away
And you give
and you give
And you give yourself away

With or without you
With or without you
I can't live
With or without you
