## Keane, With Or Without You

See the stone set in your eyes See the thorn twist in your side I wait for you Sleight of hand and twist of fate On a bed of nails she makes me wait And I wait... without you

With or without you With or without you

Through the storm we reach the shore You give it all but I want more And I'm waiting for you

With or without you With or without you out I can't live With or without you

And you give yourself away And you give yourself away And you give And you give And you give yourself away

My hands are tired My body bruised, she's got me with Nothing to win and nothing else to lose

And you give yourself away And you give yourself away And you give and you give And you give yourself away

With or without you With or without you I can't live With or without you
