

# Keaton Simons, Lift Me Up

Lift Me Up

Lift me up from your shallows  
I am stumbled in a lonely grave  
Lift me up from your shallows  
I am destined to live ashamed  
Ive been sold out by my best friend  
Ive been knocked down and thrown away  
Ive been sold out and mistreated  
Ive ignited a dying flame  
Im a sinner  
A believer  
Im a cynic in a blinding rage  
A beginner  
In the middle  
Of deceiving another day  
Lift me up from your shallows  
I am stumbled in a lonely grave  
Lift me up from your shallows  
I am destined to live ashamed
