

Kehlani, up at night (feat. Justin Bieber)

You Wonder Why I Love You
There Was Never Pressure
Easy As I Want To
There's Just No One Better
You Think It's Calculated
Baby, I'm Just Not That Clever
Never

And What Could I Say?
I Knew That It Would Go This Way
Or Could You Blame It On Fate?
I Couldn't Let It Just Escape
Now At The End Of Our Days
I'll Run Back Thoughts Of You

Thoughts Of You Keep Me, Up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me ,up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me Up At...

I Think About All Of The Ways
You Turn Me On (Turn Me On)
And My Bed Gets Lonely Whenever You're Gone
(Whenever You're Gone)
But Baby, I'm A Wreck Without You
All I Do Is Fantasize About You (You)
You're The Light Of My Life, You're My Meaning
Girl, You Got What I Want, What I Needed
And Even When The Sun Don't Shine
I'll Be Right By Your Side
Holding You Tight (You Tight)
And When You Feel Like Nobody Cares
I'll Be Right There
To Remind You That

You Keep Me Up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me, Up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me Up At

And What Could I Say?
I Knew That It Would Go This Way
Or Could You Blame It On Fate?
I Couldn't Let It Just Escape
At The End Of Our Days
I'll Run Back Thoughts Of You

Thoughts Of You Keep Me. Up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me. Up At Night
Up At Night, Up At Night
Thoughts Of You Keep Me Up At

Baby, The Thought Of You
You Keep Appearing In My Dreams
Huh! Huh
