

Keith N' Shane, Girl You Know It's True

Feel, feel, feel
Yeah, so what you gonna do (feel, feel, feel, feel)
Well you've tried the rest now here's the best
'Cos the KS, yes we're gonna fly the nest
We're gonna find a new zone, make it on our own
So power to the people now you bow to the throne

Been around the world
Everything is underhand, playin' with the boyband
Ali G comes before H, don't you know
A step too fair, how low can you go

All you girls just needed to believe in
(All you girls just needed to believe in)
Westlife, low life, go & let your own life
Look into their eyes & sing

(Bridge)
I'm in love girl (whatever)
I'm so in love girl (I don't think so)
I'm just in love girl
Hey, it's true

(Chorus)
Girl you know it's true, ooh, ooh, ooh
I love you
Yes you know it's true, ooh. ooh, ooh
I love you

I got something to tell ya
When the lights go out Five better watch out
Gary dodges salads and he's far too fat
Along came Robbie & he said Take That
I put it on the line for the MTV
Puffy Daddy, tuddy, just wait and see
'Cos when the going gets tough the Puff gets goin' (ooh)

All of you giirls just needed to believe in
(All of us girls just needed to believe in)
Westlife, low life, go and get your own life
Look into their eyes and sing
(Repeat bridge and chorus)

Girl you know it's true
My love is for you
Girl you know it's true (whatever) my love

All us girls just need to believe in (go girl)
(Why don't you know)
(All of us girls just need to believe in)

Girl you know it's true
Ooh. ooh, ooh, I love you
Yes you know it's true

Girl you know it's true
My love is for you
Girl you know it's true

Yes you know it's true
(Ooh, ooh, ooh)
I love you
