

Keith Sweat, Come Back

You lied to me baby

no no no no no no no noo

i dont want nobody but you baby (ooh)

told me you'll never never never never leave me
and tonight i'm all by myself
i'm all alone, with nobody else
hoping that you'd come back to me

sitting here thinking about your pretty face
and you put a smile on mine (miss you girl)

and the thought of you not being here with me is driving me wild

but if i could turn back the hands of time

things would be some much differen't baby

i wouldn't give you a reason to leave like you did girl
