

Keith Sweat, Show Me

(Show me the way)
Show me baby, umm
(Show me the way)
Show me girl
(Show me the way)
Show me baby, umm
(Show me the way)
I know what you've been missing
Tender love and kissing
A love to treat you right your whole life long
Now I am here to please
Give you something that you need
A love my girl that will never do you wrong
Show me the way my baby
(Show me the way)
Show me the way to your heart
(Show me the way)
Show me you want me baby
(Show me the way)
Show me that you need my love
(Show me the way)
I know that you've been hurt
More times then a few
Please my girl don't place that blame on me
I know my love is real
It's something you can feel
I'm all the love my girl you'll ever need
Show me the way my baby
(Show me the way)
Show me the way to your heart
(Show me the way)
Show me that you want me baby
(Show me the way)
Show me that you need my love
(Show me the way)
Show, show me, show me girl, ouu
(Show me the way)
