

Keith Urban, Better Life

Friday night and the moon is high
I'm wide-awake just watchin' you sleep
And I promise you you're gonna have
More than just the things that you need
We ain't got much now, We're just startin' out
But I know somehow paradise is comin'

[Chorus:]

Someday baby, You and I are gonna be the ones
Good luck's gonna shine
Someday baby you and I are gonna be the ones
So hold on
We're headed for a better life

Oh now there's a place for you and me
Where we can dream as big as the sky
I know it's hard to see it now
But baby someday we're gonna fly
This road we're on, you know it might be long
But my faith is strong
It's all that really matters

[REPEAT CHORUS]

So hold on, hold on
C'mon baby, hold on

Yeah, we're gonna have it all
And ooh

[REPEAT CHORUS TWICE]

Oh, a better life
Hey we're gonna leave this all behind us baby, wait and see
We're headed for a better life, you and me
We're gonna break the chains that bind and, finally we'll be free
We're gonna be the ones that have it all, you and me
Just hold on tight now baby
