

# Keith Urban, Better Life

Friday night and the moon is high  
I'm wide-awake just watchin' you sleep  
And I promise you you're gonna have  
More than just the things that you need  
We ain't got much now, We're just startin' out  
But I know somehow paradise is comin'

[Chorus:]

Someday baby, You and I are gonna be the ones  
Good luck's gonna shine  
Someday baby you and I are gonna be the ones  
So hold on  
We're headed for a better life

Oh now there's a place for you and me  
Where we can dream as big as the sky  
I know it's hard to see it now  
But baby someday we're gonna fly  
This road we're on, you know it might be long  
But my faith is strong  
It's all that really matters

[REPEAT CHORUS]

So hold on, hold on  
C'mon baby, hold on

Yeah, we're gonna have it all  
And ooh

[REPEAT CHORUS TWICE]

Oh, a better life  
Hey we're gonna leave this all behind us baby, wait and see  
We're headed for a better life, you and me  
We're gonna break the chains that bind and, finally we'll be free  
We're gonna be the ones that have it all, you and me  
Just hold on tight now baby
