

Keith Urban, Kiss A Girl

To kiss and tell, it's just not my style. But the night is young, and it's been awhile and she broke my

I wanna kiss a girl

I wanna hold her tight

Maybe make a little magic in the moonlight

Don't wanna go too far just to take it slow

But I shouldn't be lonely in this big old world

I wanna kiss a girl

It's that moment when you start closin' in

First you're holding back, then surrenderin'

It can start a fire, light up the sky, such a simple thing.

Do you wanna try?

Are you ready to say good-bye to all these blues?

I wanna kiss a girl

I wanna hold her tight

Maybe make a little magic in the moonlight

Don't wanna go too far just to take it slow

But I shouldn't be lonely in this big old world

I wanna kiss a girl

'cause maybe tonight it could turn into the rest of our lives, oh yeah.

Are you ready? Are you ready..to cross that line, put your lips on mine??

(Put your lips on mine baby)

Do you wanna try?

Are you ready to say good-bye to all these blues?

I wanna kiss a girl

I wanna hold her tight

Maybe make a little magic baby

Don't wanna go too far just to take it slow

But no one should be lonely, I shouldn't be lonely
