

Keith Urban, One Chord Song (Hidden Track)

This is my one chord song
It's easy to sing along
'Cause there ain't much in the way it changes
But sometimes life can be that way.

Yeah, there aint to much
That I can do with the melody
'Cause I'm stuck within the confines
Of the single key of G.

This is my one chord song
I can't go on too long
'Cause I've said all I've got to say
And you probably won't hear this anyway.

Yeah, now here's the same thing
That you heard 8 bars before
And if your just like me
I'm sure that you are bored with this chord.

But if I can make you stop and think
About the life your living in
'Cause you and I, we dont have long
So make the most before it's gone.

'Cause this is my one chord song.

Now I can make it sound
Like there's another chord
But you'd be fooled
'Cause there is only one.

This is my one chord song.
This is my one chord song.

This is my one chord song...
