

Keith Urban, Stuck In The Middle

Well, I don't know why I came here tonight
I got the feeling something ain't right
I'm so scared in case I fall off my chair
And I'm wondering if I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Stuck in the middle with you

Well, I'm stuck in the middle with you
And I'm wondering what I should do
It's so hard to wipe this smile from my face
Lose control and I'm all over the place
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you

[Chorus:]

Well, you started out with nothing
And you're proud you're a self-made man
And your friends they all come crawling
Slap you on the back and say, "Please, please"

[Repeat Chorus]

Well, I don't know why I came here tonight
I got the feeling something ain't right
I'm so scared in case I fall off my chair
And I'm wondering if I'll get down the stairs
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Yes, I'm stuck in the middle with you

Here I am, here I am
Stuck in the middle with you
