

Keith Urban, The Hard Way

You've got your own way of looking at it baby
I guess that proves that I got mine
Seems like our hearts are set on automatic
We say the first thing that comes to mind
It's just who we are baby, we've come too far to start over now
I know what you're thinkin' ; I'm not always easy to be around

[Chorus:]

But I do love you
You keep me believin' that you love me too
And I know it's true
This love drives us crazy but nobody's walkin' away
So, I guess we'll to do it the hard way

If I had a genie in a bottle
Three wishes I could wish for us
I wish we'd live forever and get along together
Turn these tempers into trust

[REPEAT CHORUS]

Do it the hard way

It's just who we are baby, we've come to far to start over now
Believe me tonight love's the one thing in life we can't live without

[REPEAT CHORUS]

Do it the hard way
The hard way
