

# Keith Urban, You're Not My God

It's just a piece of paper, it says, "In God We Trust"  
A little sure felt good  
But a lot was not enough  
And everybody loved me when I was on a roll  
And I thought I had everything  
When I held the gold

But you're not my god  
And you're not my friend  
You're not the one that I will walk with in the end  
You're not the truth  
You're a temporary shot  
You ruin people's lives and you don't give a second thought  
You're not my god

Little white lies on a mirror  
Cut neatly in a roll  
Medicine that kept me from lookin' in my soul  
I thought you were the answer  
To all of my despair  
And you almost had me six feet down  
But I'm still breathin' air

'Cause you're not my god  
And you're not my friend  
You're not the one that I will walk with in the end  
You're not the truth  
You're a temporary shot  
You ruin people's lives and you don't give a second thought  
You're not my god

From the cradle to the grave  
Temptations all around  
But no matter how good the fix  
It's gonna take you down  
Now some call it a weakness  
Some call it a sin  
But it's all the same behind each game  
I see your evil grin

But you're not my god  
And you're not my friend  
You're not the one that I will walk with in the end  
You're not the truth  
You're a temporary shot  
You ruin people's lives and you don't give a second thought

Whoa, you're not my god  
And you're not my friend  
You're not the one that I will walk with in the end  
You're not the truth  
You're a temporary shot  
You ruin people's lives and you don't give a second thought  
You're not my god

You're not my god  
Oh oh oh you're not my god  
You're not my god  
Mmmmm not my god  
Not my god  
You're not, you're not, you're not my god  
No you're not
