Keith Whitley, Talk To Me Texas

Talk to Me Texas

Well it's lonely out tonight down here in Georgia And the oldest friend I've got I met today The woman that I love just up and left me And the place I love's a thousand miles away.

Operator hook me up to Houston Get me anybody on the phone Look there in your book and pick a number Cause you can't be choosy when you're this alone

Chorus:

Won't you talk to me Texas? Let me hear that drawl I spent my last five dollars on this one long distance call Wont you talk to me Texas I've got these homesick blues Tell me I can come on home to you

I've got this faded number in my wallet It's been here a dozen years I know I used to call it up when I was lonely Oh that woman sure could love me so

I know by now she's probably changed her number And with my luck she's probably changed her name If there's a chance in hell ill think ill take it Cause Id love to hear that woman's voice again

Chorus x2

Hey tell me I can come on home to you!
