Put your hands on me

But don't put your hands on me  
when you're pissed off, and you got laid off  
You can yell, scream, blowin' off steam  
don't put your hands on me

(Verse 3)

Your honor, your honor, please understand  
the victim of abusive relationship  
And I really love that man, without a doubt  
And before I knew what happened  
I blacked out  
Got the cops knockin', neighbors watchin', got me lookin' crazy, back of a squad car  
Ain't that kinda lady  
Ooh don't let me know, that is not the way it's supposed to be

(Chorus)

When the drama starts to hit the fan  
ooh, ooh,  
Raise your voice but not your hand  
ooh, ooh,  
And you can say the most hurtful things, you can  
ooh, ooh,  
(Listen baby)  
You can yell, scream, blowin' off steam  
don't put your hands on me

Ooh no, no, no, no, no  
(listen baby)  
Ooh no, no, no, no, no
