

Kelis, Milkshake Remix (Feat. La-La)

My milkshake brings all the boys to the yard,
And they're like,
Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!

My milkshake brings all the boys to the yard,
And they're like,
Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!

I know you want it,
the thing that makes me!
What the guys go crazy for,
They lose their minds,
the way I rhyme,
I think it's time!

(Kelis + (La-La)
La La La La La (La La)
Warm it up
La La La La La (That's disgusting)
The Boys are waiting
La La La La La
Warm it up
La La La La La
The boys are waiting

(La-La + (Kelis)
Boys wanna know how my milkshake tastes
See them fantasize when they look in my face
Want a slice of my ice cream cake?
Cream in the middle,
How many licks will it take?
How you want it? My flavor lasts hours
Once you've had mine your girl was sweet and sour
Let me feel that candy cane
See if you can make my candy rain
Throw it back and your girl wont budge
All over me like a cup of hot fudge
I'm your peppermint patty wanna scoop
Boy let me satify your sweet tooth (But I have to charge)

I can see your on it,
You want me to teach thee,
Techniques that freaks these boys,
It can't be bought,
Just know things get caught,
Watch if your smart,

La La La La La
Warm it up!
La La La La La
The boys are waiting!
La La La La La
Warm it up!
La La La La La
The boys are waiting!

My milkshake brings all the boys to the yard,
And there like,

Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!

My milkshake brings all the boys to the yard,
And there like,
Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!

Oh once you get involved,
Everyone will look this way-so,
You must maintain your charm,
Same time maintain your haylo,
Just get the perfect blend,
Plus what you have within,
Then next his eyes are squint,
Then he's picked up your scent,

La La La La La
Warm it up!
La La La La La
The boys are waiting!
La La La La La
Warm it up!
La La La La La
The boys are waiting!

My milkshake brings all the boys to the yard,
And there like,
Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!

My milkshake brings all the boys to the yard,
And there like,
Its better than yours,
Damn right its beter than yours,
I can teach you,
But i have to charge!
