

Kelis, Oasis

(Unreleased track exclusively from UltimateKelis.com)

When I see your face
It takes me away to other places
Everything just melts away
You'll never have to cry when I'm with you
Because you are my solitude
I wanna be the very same for you

Chorus:
You are my oasis baby
You're like water to me
You never leave me thirsty

Verse 2
When I wake up with you
My life has new meaning
Puddles seem so far away
You'll never have to cry when I'm with you
Because you are my solitude
I wanna be the very same for you

Chorus:
You are my oasis baby
You're like water to me
You never leave me thirsty

Verse 3
You are like a dream in the night
My mind and heart they now have sight
But here I lie awake tonight
You'll never have to cry when I'm with you
Because you are my solitude
I wanna be the very same for you

You are my oasis baby
You're like water to me
You never leave me thirsty

You are my oasis baby
You're like water to me
You never leave me thirsty
