

# Kelis, This Must Be Love

(kelis)

i dont hate you - i think i love you

i dont hate you (u'know?) - i think i love you (i think i love you babe)

(dane bowers (kelis))

this must be love i'm feeling

this must be love (this gotta be)

this must be love i'm feeling

this must be love

well i wait in every day you know just in case

you decide to call

and i can hardly wait 'cos i never thought time could pass so slowly

this must be love i'm feeling

this must be love (this must be love)

this must be love i'm feeling

this must be love (must be love)

now happiness is something i never thought i'd feel again

but now i know (i know)

and it's you that i've been looking for (looking for)

and day by day, more and more

i know what you think (i know what you think) you've heard it before

don't tell me i know (i know)

but this feeling inside my heart

you know i'm never letting go

'cos i think that

this must be love (must be love) i'm feeling

this must be love (loove)

this must be love i'm feeling (i'm feeling)

this must be love (this must be love)

(kelis (dane bowers))

this must be love that i'm feelin for you

what you feelin for me 'cos it's making me weak (it's making me weak)

this must be love that i'm feelin inside (i'm feelin inside)

ain't no words to describe it

this must be, it's gotta be love (gotta be love)

can't get you outta my mind (oooh)

everyday, look what you do to me (i cant explain)

i think i love you

i love what you do to me

uh-uh

have nothing to say

(dane bowers)

this must be love i'm feeling

this must be love

this must be love...

this must be love...

yeaah
