

Kelli Ali, Inferno High Love

We got telepathy
Psychic TV
In our eyes
We got a cobra kiss
We're cosmic kids
In disguise

High love my inferno
High love my inferno
High love my inferno
High high love

Cause the prettiest thing
in the whole wide world
Is a girl and a boy
Keep dancing!
Hear a butterfly sing
Feel reality swirl
For a boy and a girl
In love

I dont worry about a thing
He's my spirit king
I'm his voodoo queen

We speak in tongues
Dance like Egyptians
Know what I mean

Cause the prettiest thing
in the whole wide world
Is a girl and a boy
Keep dancing!
Hear a butterfly sing
Feel reality swirl
For a boy and a girl
In love

Fever, fever, fever
Fever, fever, fever

Cause the prettiest thing
in the whole wide world
Is a girl and a boy
Keep dancing!
Hear a butterfly sing
Feel reality swirl
For a boy and a girl
In love

On a beautiful cloud
Floating over the sky
Is a girl and a boy
Keep dancing
Feel your heart cry aloud
For the ultimate high
Of a boy and a girl
In love

High love my inferno
High love my inferno
High love my inferno
High high love
