

# Kellie Coffey, Love's Funny That Way

Ooh

There is no king when love is the thing, we play the same moves  
In a heartbeat a wiseman can be a fool  
There's no guarantee that love will be a stranger or a friend  
A prayer that's answered or a heartache that never ends.

And through the darkest hours  
When all is said and done  
It has the power,  
You go from lonely to the lucky one.

Love's funny that way  
No matter who you are  
Well, it can shake your faith  
Oh, it can break your heart, yeah.

Once on a while the mountains move  
We all long for those days  
When you live, you laugh, you say  
Love's funny that way, yeah.

Now long ago I got to know the lonely side, oh  
Just me and my pain and nowhere to hide  
And it amazes me, yeah  
Oh how my world turned around  
And if it's meant to be, yeah  
That's all that matters to me anyhow.

Love's funny that way  
No matter who you are  
Well it can shake your faith  
Oh it can break your heart, yeah, yeah.

Once on a while the mountains move  
We all long for those days  
When you live, you laugh, you say  
Love's funny that way, oh.

Love's funny that way  
--- Instrumental ---

Once on a while the mountains move  
We all long for those days  
So when you don't understand  
Best to leave it in love's hands.

Just live, laugh and say  
Love's, love's funny that way, oh  
Love's funny that way.

Yeah, yeah, yeah  
Love's funny that way...
