

# Kellie Pickler, Didn't You Know How Much I Loved

I remember the way you made love to me  
Like I was all you'd ever need  
Did you change your mind?  
Well I didn't change mine

Now here I am tryin' to make sense of it all  
We were best friends now we don't even talk  
You broke my heart  
Ripped my world apart

Didn't you know how much I loved you?  
Didn't you know how much I loved you baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you baby?  
Baby tell me  
Didn't you know how much I loved you?

I can't get you outta my head  
I still feel you in this bed  
Left me all alone, couldn't be more gone  
From fallin' apart to fightin' mad  
Wanting you back to not givin' a damn  
I felt it all  
I've been to the wall

Didn't you know how much I loved you?

Didn't you know how much I loved you baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you baby?  
Baby tell me  
Didn't you know how much I loved you?

One day justice will come and find you  
And I'll be right there in your memory  
to remind you

Didn't you know how much I loved you?  
Didn't you know how much I loved you baby?  
I gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you baby?  
Baby tell me

Didn't you know how much I loved you?  
Didn't you know how much I loved you baby?  
Gave you everything, every part of me  
Didn't you feel it when I touched you?  
Didn't I rock you when I loved you baby?  
Baby tell me

Gave you everything, every part of me
