

Kellie Pickler, I'm Your Woman

wah-uh-uh-oh-oh
wah-uh-uh-oh-oh-ohhh
If you want someone who will turn your head
wah-ohhh
i'm your woman
if you want something that you ain't found yet
wah-oh
i'm your woman
you don't know but you just found it
come on baby think about it
if you want something real
i'm your woman
i'm your woman
i'm your woman
i'm your woman
if you want someone who will be your friend
wah-oh
i'm your woman
if you want two arms to get wrapped up in
wah-oh
i'm your woman
come on baby
who ya kiddin'
we both know that its a given
if you want something real

i'm your woman
i'm your woman
i'm your woman
i'm your woman

you know we are just wasting time
its obvious that baby im the one you want
come on baby
who ya kiddin'
we both know that it's a given
if you want something thats real

i'm your woman
i'm your woman
i'm your woman
