

# Kelly Clarkson, Bleed For Me

Always Crossing Fingers  
Holding Back  
Drawing Circles On The Floor

Pretending You Don't See Me  
Blinding Your Self Completely  
Running From The Hands That Hold You High

Hold On This Time  
I Will Take You  
To Where You Belong  
Hold On This Time  
You Don't Have To  
Bleed For Me  
You Don't Have To  
Bleed For Me
