

Kelly Clarkson, Can I Have A Kiss?

Excuse me for this, I just want a kiss
I just want to know what it feels like to touch
Something so pure, something I'm so sure of
What it feels like to stand outside your door
I'm unworthy, I can see you're above me
But I can be lovely given the chance

Don't move
I want to remember you just like this
Don't move
It's only a breath or two between our lips

I know why you left
I can't blame you myself
Must be hard living with ghosts
And such an empty shell

I tried to warn you
I've been a mess since you've known me
I can't promise forever
But I'm working on it

If I can't hold you
Can I give you a kiss?
Can I have a kiss?

I see that you're torn
I've got some scars of my own
Seems I want what I know is gonna leave me hungry

Don't move
I need to remember you just like this

I know why you left
I can't blame you myself
Must be hard living with ghosts
And such an empty shell

I tried to warn you
Been a mess since you've known me
I can't promise forever
But I'm working on it

If I can't hold you
Can I give you a kiss?
Can I?

All I have
All I can give to you I will
Just promise this
If I can't have forever
Can I have a kiss? Kiss? Kiss? No

I know why you left
I can't blame you myself
Must be hard living with ghosts
And such an empty shell

I tried to warn you
Been a mess since you've known me
I can't promise forever
But I'm working on it

If I can't hold you

Can I give you a kiss?
Can I give you a kiss?
Can I, can I
Can I have a kiss?
