Kelly Clarkson, Did You

You left me standing there
You didnt even care
You just walked away
I felt so scared
You never even looked back at me
So unaware
Of how cruel you could be
I was always there
Did you ever care
Did you ever care for me
Did you ever believe in me
Did you ever love me
Did you
Did you
Did you
We didnt have to fall
I didnt need your tears
I didnt need your pity
Just any feeling at all
Would have been sufficient
I never felt so small
So insignificant
You left me naked with nothing at all
How could I be so blind?
Did you ever care for me
Did you ever believe in me
Did you ever love me
Did you
Did you
Did you
Falling down
Darkness surrounds me
Open my eyes
I bow my head and cry
Did you ever believe in me
Did you ever love me
Did you ever care for me
Did you ever believe in me
Did you ever love me
Did you
Did you
Did you
Did you care for me
Did you ever love me
