

Kelly Clarkson, Forever Part Of Me (With Justin Guarini)

[Justin:]

I've been wonderin' if it's time
To say what's on my mind
'Cause I'm in the dark
So what's in your heart?
I'm tryin' to find

[Kelly:]

I don't even know your name
But the thought of you remains
Suddenly my pulse is jumpin'
Do you feel the same?
I talk it over with my friends
And I guess it all depends
How you really feel
What can you comprehend?

[Both:]

You could be just 'round the corner now
Hoping this love is yet to be found

[Chorus (Both:)]

It's not too late to call my name
So don't you look the other way
Open your eyes and you'll see
My heart won't wait, don't hesitate
We got a chance we gotta take
Feels like you could be forever part of me

[Justin:]

It's gettin' right under my skin
(Right under my skin)
I don't know where to begin

[Kelly:]

Would I look the fool?

[Justin:]

Should I play it cool?

[Both:]

Or jump right in?

[Kelly:]

How am I supposed to know
(Know)
Whether I should come or go?
(Come or go)

[Both:]

I think it's time we let our feelings show

[Both:]

We might let that moment just pass us by
Then it's gone in the blink of an eye

[Repeat Chorus]
