

Kelly Clarkson, Invincible

You know I was broke down, I had hit the ground
I was crying out, I couldn't make no sound
No one hears the silent tears collecting
You know I had lost hope, I was all alone
Never been so long till you came along
Teacher, I feel the dots connecting

Beat down on me, beat down like a waterfall
Cause I can take on so much more than I had ever dreamed
So beat down on me, beat down like a waterfall
Cause baby, I am ready to be free

Now I am invincible
No, I ain't a scared little girl no more
Yeah, I am invincible
What was I running for
I was hiding from the world
I was so afraid, I felt so unsure
Now I am invincible
Another perfect storm

Now I am a warrior, a shooting star
Know I got this far, had a broken heart
No one hears the silent tears collecting
Cause it's being weak, but strong in the truth I found
I have courage now, gonna shout it out
Teacher, I feel the dots connecting

Beat down on me, beat down like a waterfall
Cause I can take on so much more than I had ever dreamed
So beat down on me, beat down like a waterfall
Cause baby, I am ready to be free

Now I am invincible
No, I ain't a scared little girl no more
Yeah, I am invincible
What was I running for
I was hiding from the world
I was so afraid, I felt so unsure
Now I am invincible
Another perfect storm

I was running from an empty threat
Of emptiness
I was running from an empty threat
That didn't exist
I was running from an empty threat
Of abandonment
I was running from an empty threat
That didn't exist

Now I am invincible
No, I ain't a scared little girl no more
Yeah, I am invincible
What was I running for
I was hiding from the world
I was so afraid, I felt so unsure
Now I am invincible
Another perfect storm

Now I am invincible
No, I ain't a scared little girl no more
Yeah, I am invincible
What was I running for

I was hiding from the world
I was so afraid, I felt so unsure
Now I am invincible
Another perfect storm
