## Kelly Family, Fell In Love With An Alien

Out in the fields
Where the farmers grow bread
When called for the meals
The took for the shed
Then dark came to fall
And silence was all
A beauty shone bright
Surrounded by light

## Refrain

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I'm telling you no disguise
I'm in love with an alien
I'm in love with her eyes
I'm in love with an alien
I'm telling you no disguise

She came looking out babe for a Romeo She ain't looking out babe for a homeboy

I fell in love with an alien I fell in love with her eyes I fell in love with an alien I'm telling you no disguise

The moon went to bed Sun growing red A scarecrow appeard And chased her in fear She send me her love Her love to me And then we did grow A big family

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I'm telling you no disguise
I'm in love with an alien
I'm in love with her eyes
I'm in love with an alien
I'm telling you no disguise

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I'm telling you no disguise
I'm in love with an alien
I'm in love with her eyes
I'm in love with an alien
I'm telling you no disguise
