

# Kelly Family, One More Freaking Dollar

hey you listen body have you got a dime

for a cup of coffe

'cause my body feels a kind a cold

and i hear the boulevard

i now he bered five years old

i used to go wacko with my friends

we'd do any little thing

just to check in a little cash

all i want is one more freaking dollar

all all i want is one more freaking dollar

and next side they what they need

and all my family we wack like do a rich party

no when we meet at last for one milting stinky trash

now watch what you're about to give to me

'cause my penns are too short

help me out i know that you can

anything is better then nothing

(chorus)

lucky blue came for the money in my pocket

there's always nothing

there but something tells me

someday i'll be famous

i'll trough andy yeah

(chorus)

hey you listen body

(chorus)

give me what you can

anything baby now

better then nothing oh yeah yeah

i'll give you two dolars ok oh money yeah oh yeah
