

# Kelly Family, Who'll Come With Me

Who'll come with me?  
Don't be afraid I know the way.  
Who'll sing with me?  
Don't be afraid I know the way.

Who'll dance with me  
All through the world?  
Don't be afraid I'll show the way.

We'll go with you  
To search the way, to find your star.  
Who'll come with us?  
Don't be afraid, we found the way.

Who'll fly with me  
To reach a star?  
Don't be afraid, I know the way.

(Hello to all you young men!  
Our fondest hopes now rest in you.  
Remember there is nothing we can't do!  
So believe! And be brave!)

Who'll be my friend  
And walk with me and sing this song?  
Who'll love with me?  
We'll change the world and set it free!

We'll walk with you!  
We'll be your friends!  
We'll sing your song!  
We know the way!
