

Kelly Groucutt, I'll Cry For You Tonight

Oh babe, what can I do
About this feeling for you
Oh babe, I know that it's wrong
But right now the feeling's so strong

Oh girl, if you were near
I'd make love to you right here
How I long for your touch
Oh baby, I need you so much
Oh girl, I need you so much

I'll cry for you tonight
I'll cry all through the night
I'll squeeze my pillow and hold you tight
Until the dawn

So many things I'd like to say
But you're so far away
I'll close my eyes and say them anyway
Until the dawn
Until the dawn

Oh girl, I'm such a fool
But I didn't make up the rules
And I know boys shouldn't cry

Oh baby, I remember your eyes
Oh girl, I remember your eyes

I'll cry for you tonight
I'll cry all through the night
I'll hold my pillow & squeeze you tight
Until the dawn

So many things I'd like to say
But you're so far away
I'll close my eyes and say them anyway
Until the dawn
Until the dawn
Until the dawn
